

Interior

- **Tall tub** provides the largest usable capacity* - space for 14 place settings
- **Three wash arms/four wash cycles** power away soil on every rack
- High-pressure, high-flow wash system - more active cleaning jets than any other brand
- Finer filtration eliminates the need for prewashing dishes
- Precision Clean turbidity sensor adjusts to deliver optimum washing and rinsing action
- Adjustable rinse-aid dispenser - to adjust quantity according to water hardness
- Tall tub offers the largest usable capacity™ - washes more dishes in a single load
- Three wash arms provide thorough spray action above and below each rack
- Hard food disposer - prevents food particles from redepositing on dishes

Cycles/Cleaning Option

- **Sanitize** option eliminates 99.9% of household bacteria that may be on dishes
- Four wash cycles - Heavy, Normal, Light and Rinse Only
- ToughScrub™ option - softens and removes tough, dried-on foods
- Drying system practically eliminates spots and extra hand drying
- 2-/4-/6-Hour Delay Wash
- Extra Rinse option - additional rinse improves results in hard water situations
- Active vent dry system allows moisture to escape, air-drying to continue

Control Panel

- **Microprocessor controls** with angled touch pad add style and convenience
- Microprocessor controls with 10 touch pads
- Control Lockout - prevents accidental changes or starts

Performance/Sound

- **QuietSeries™ 100 sound package** - cleans dishes without disrupting your home
- ENERGY STAR® model - Maytag's most efficient line of dishwashers ever
